Title: GENERAL EVIDENCE INVENTORY
LOS ANGELES FIELD OFFICE
EVIDENCE PROGRAM

Synopsis: To request removal of general evidentiary items from the evidence database in ACS.

Details: The purpose of this communication is to request permanent removal of general evidentiary items from the FBI evidence database. This request is as a results of items not able to be located and/or found after several inventories of the General Evidence (ECR1) and Grand Jury Material (ECR2), which is housed at the Northridge facility.

All efforts to locate the below listed 48 general evidentiary items (ECR1) and 1 grand jury material evidentiary item (ECR2) have been exhausted by the evidence technicians and Special Agents.

By way of background, these same items have been reflected as discrepancies in LAFO annual inventories beginning on 7/8-21/2002, 9/8-23/2003, 5/21/2004-6/18/2004, 7/11-18/2005, 11/6-23/2006 and 9/10-28/2007 with no change in finding these items.

Therefore, Los Angeles feels that all efforts to locate these items have been exhausted and requests the concurrence of Chief Division Council and Executive management to remove the following items from the FBI evidence database:

ECR1: Listed below are the 48 general evidentiary items in
